Bat Series

Specifications	2
Features	3
Images	4
Color Option	5

BIFMA Compliant,* the commercial furniture industry's registry of standards-conforming products.

FEATURES

Base

Aluminum polished base

Mechanism

Adjustable gas-lifting to go up and down and can tilting according to your need.

Upholstery

The cowhide was imported from Italy and you can choose the different material like NDPU

Armrest

Armrests and back are one piece, formed by mould foam together

Additional Features

The entire seat is covered with air holes, very breathable when sitting, comfortable and refreshing.

The graceful curvature of the chair fits the back of the body. The armrests are attached to the back of the chair, so that the hands can also relax well and achieve the most comfortable state.

The air holes in the body of the chair do not make the chair ugly, but give it a sense of nobility. When you sit down, you can obviously feel the air emission, and it is very refreshing to sit.

Color options

Leather 3A soft cowhide leather with a very natural appearance. Available in 6 colors.
